

~~with~~ w/  
his quilt  
wrapped  
around  
him

Dear Susan Piper,

Thank you so much  
for the beautiful quilt. My  
son hurt his knee in  
gymnastics and was brought  
by ambulance to the hospital.  
Your quilt helped make the  
experience less scary for him.  
He still sleeps with it. We  
appreciate your kindness and  
generosity.
